Meet the real children of the corn

There’s no need for a shower before detasseling, but I just pull up my pants. It’s just a fact that dentists pull out your teeth at least once a year if you wear braces. and I’ve certainly had my teeth extracted. But dentists pull our teeth because it’s the only way we can get rid of cavities. We don’t have to worry about cavities because we detassel. The Corn. Me. The Corn. Me. The Corn. Me.
